THE DO'S

01

Follow the OnlyFans brand guidelines
([click here to review them](#))

02

Always use the name of the models
when promoting with banners

03

Use the banner that links to the same
OnlyFans profile

04

Promote on your website, socials,
and media buying campaigns

05

Promote multiple models
for maximum earnings

THE DON'TS

01

Don't imply that you promote OnlyFans rather than specific models

02

When working with us, don't advertise other models than those available for promotion on CrakRevenue

03

Don't promote via unapproved methods

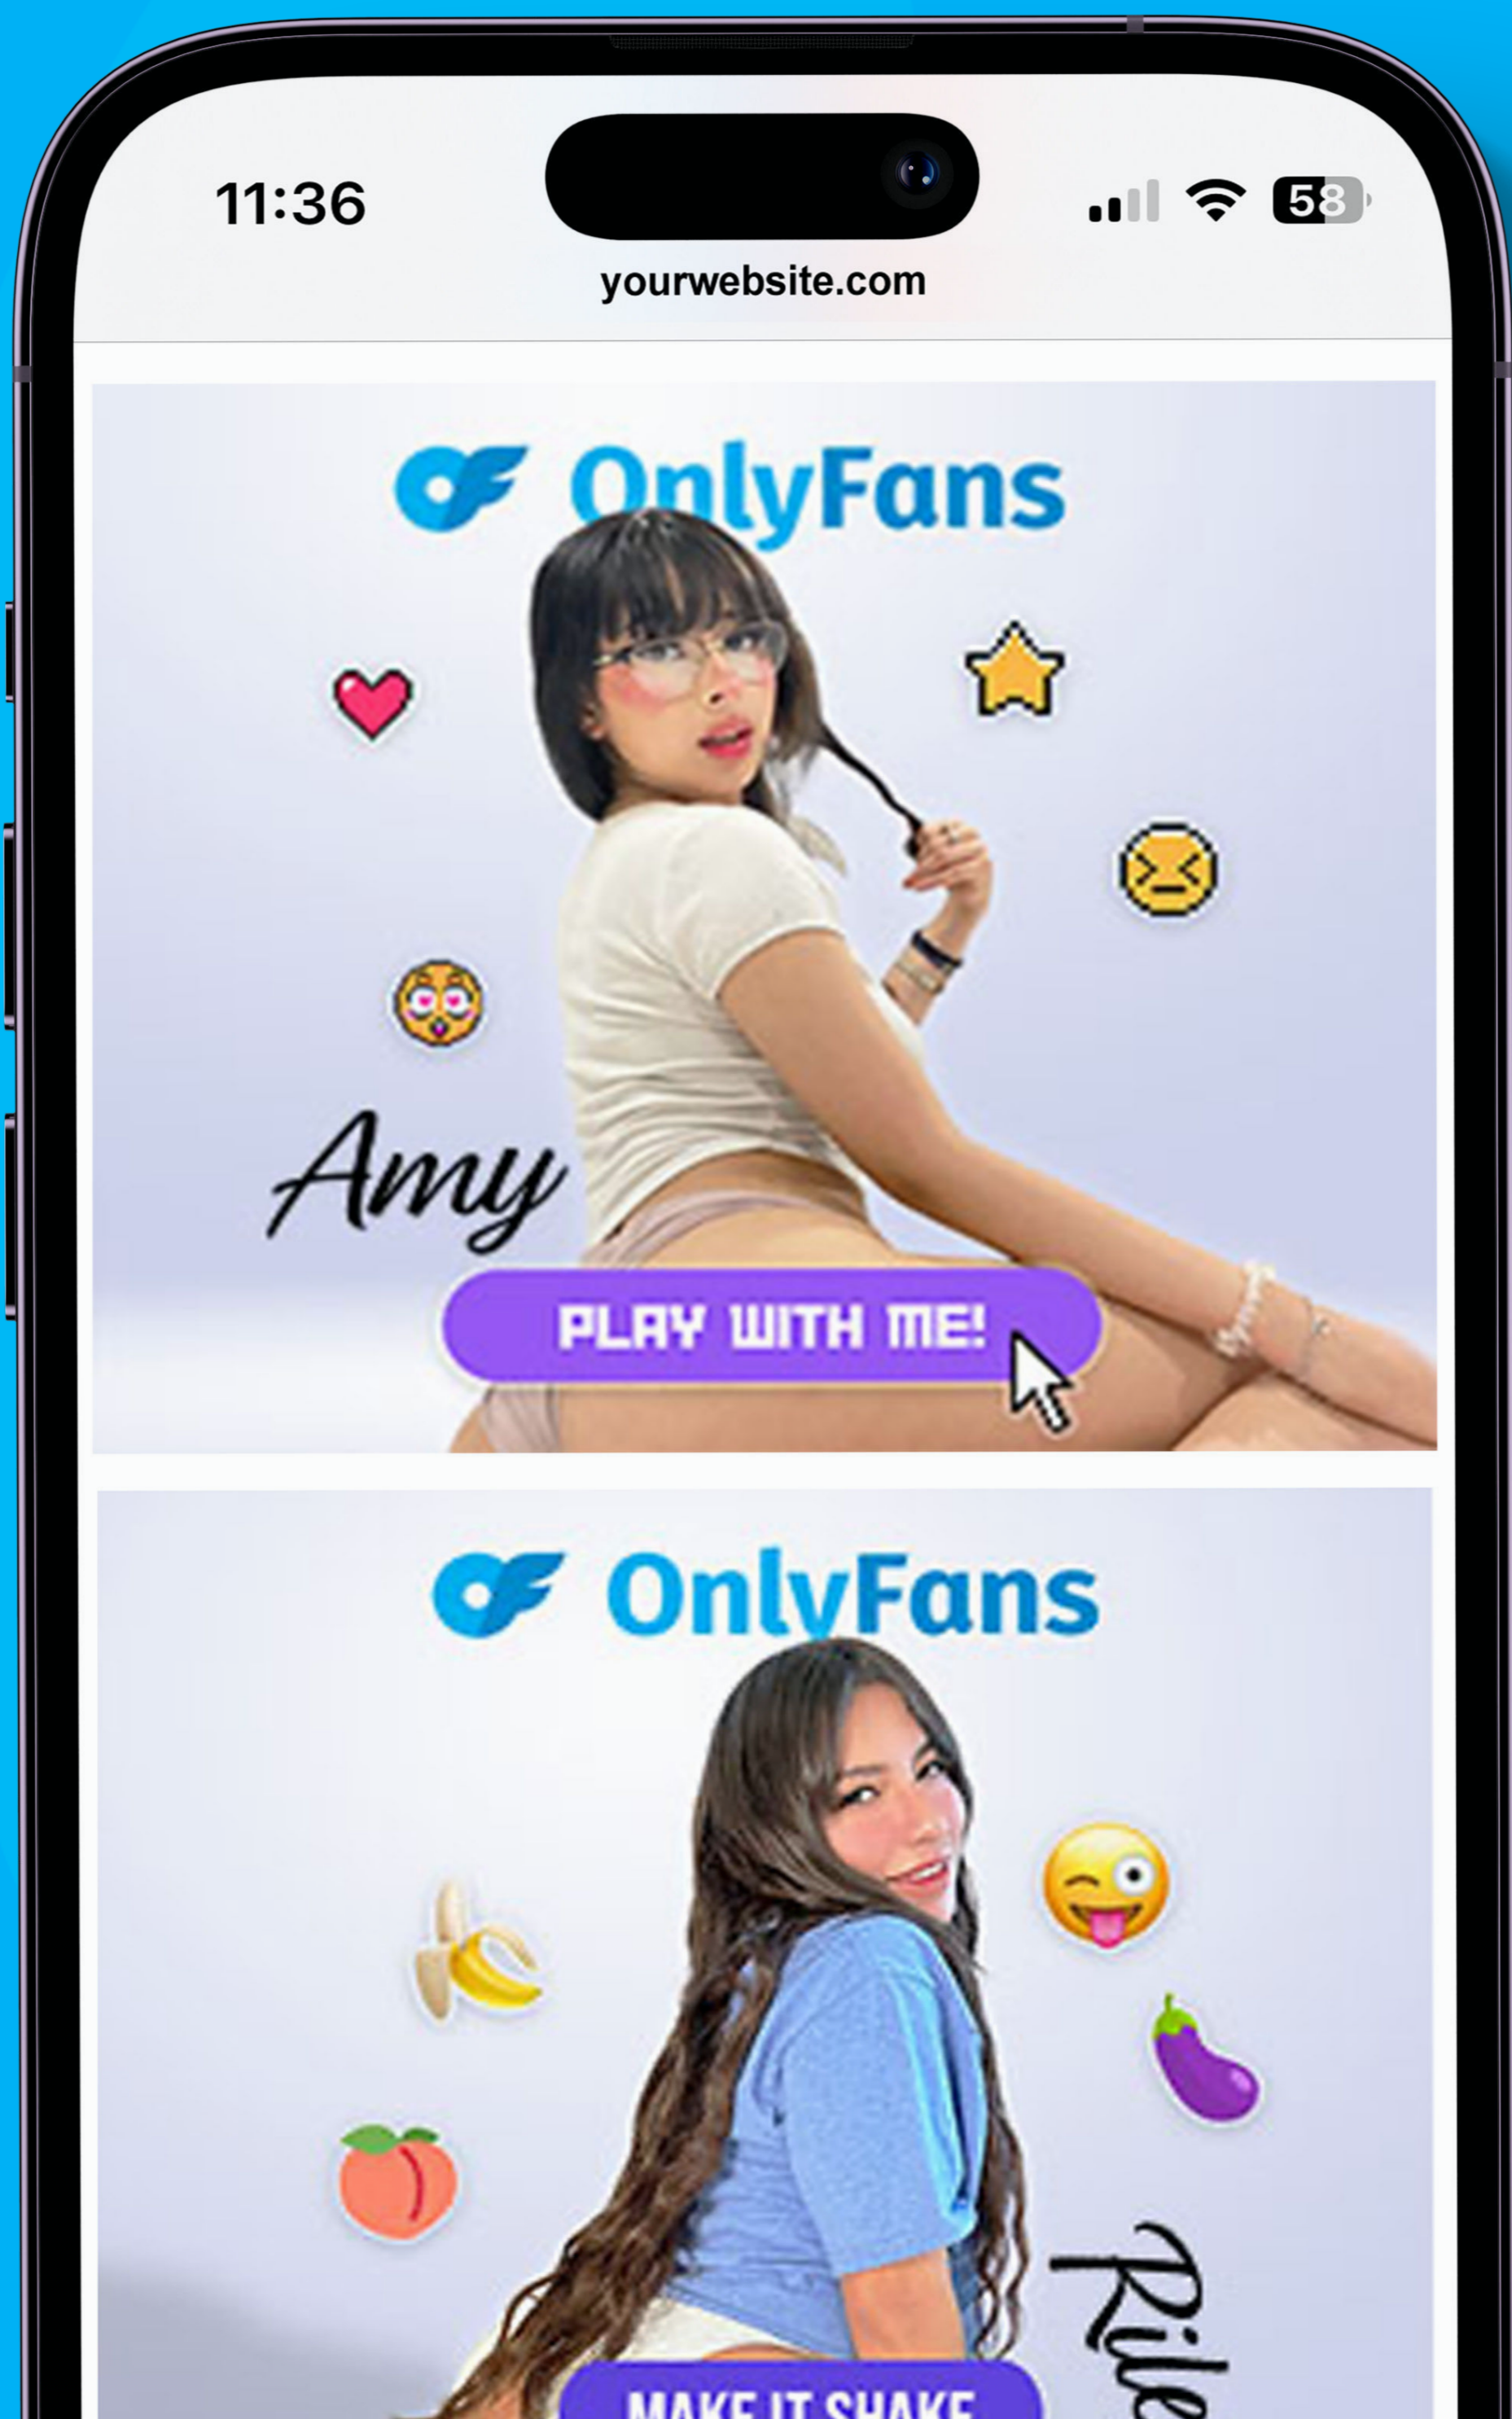

04

Don't offer incentives for subscriptions
